HEAD COACH

DAVE CANALES

COLLEGE
Azusa Pacific University
EXPERIENCE
16

Dave Canales was hired as the head coach of the Carolina Panthers on January 25, 2024, becoming the seventh head coach in franchise history. Canales came to Carolina after serving as offensive coordinator for the Tampa Bay Buccaneers (2023). He spent his first 13 seasons in the NFL with the Seattle Seahawks (2010-22) in various roles on the offensive side of the ball.

In his first season at the helm for Carolina, Canales helped guide quarterback Bryce Young to a career-high 21 total touchdowns. Young led the Panthers on game-winning or game-tying drives in six of the final nine games and had at least two touchdown passes in three-straight games to close out the season and

a passing touchdown in each of the last 10, both the longest streaks of his career. Running back Chuba Hubbard eclipsed the 1,000-rushing yard mark for the first time in his career (1,195) and became the first Panthers player to reach this milestone since 2019. He also set career-highs in carries (250), rushing yards, rushing touchdowns (10), catches (43) and scrimmage yards (1,366), earning a Pro Bowl alternate nod for his efforts.

The Panthers were the only offense in the NFL with three players in the top-15 of rookie receiving yards, with efforts from wide receivers Xavier Legette (497) and Jalen Coker (478) and tight end Ja'Tavion Sanders (342). Among all rookies in Panthers history, Legette finished fourth in catches (49), tied for fifth in touchdowns (four) and seventh in receiving yards while Coker led all undrafted players in NFL in receiving yards, catches (32) and receiving touchdowns (two) and became the Panthers franchise-leader in all three categories among undrafted rookies. Sanders set the record for the most receiving yards by a rookie tight end in team history and finished second in receptions (33).

On the defensive side of the ball, cornerback Jaycee Horn was named to the Pro Bowl for the first time in his career and was one of only three players in the NFL to record at least 50 tackles, 10 passes defended, five tackles for loss and 2.0 sacks. Along with cornerback Mike Jackson, the duo combined for 30 passes defended, the most by a cornerback tandem in the NFL. Defensive end A'Shawn Robinson led all defensive linemen in the league in total (80) and solo tackles (43).

The 2024 Panthers featured two Pro Bowlers, Horn and guard Robert Hunt (originally a second alternate) while Hubbard earned an alternate spot.

Before taking the lead in Carolina, Canales served as offensive coordinator for the Buccaneers in 2023. Under his guidance, several players recorded career-highs as the team won the NFC South division and reached the divisional round of the playoffs after defeating the reigning NFC champion, the Philadelphia Eagles, in the Wild Card round. Quarterback Baker Mayfield set career-highs in passing yards (4,044), completion percentage (64.3%), touch-

downs (28) and completions (364). He was one of just two quarterbacks in the NFL to throw 27+ touchdowns and 10-or-fewer interceptions on the season.

Running back Rachaad White set career-highs in rushing yards (990) and ranked third among NFL running backs with 549 receiving yards. His 1,539 scrimmage yards tied for the seventh-most league-wide. Wide receiver Mike Evans reached the 1,000-yard mark for the 10th consecutive season and became the first player ever to record 60+ receptions in each of his first 10-career seasons. He and fellow wide receiver Chris Godwin were one-of-three pairs of teammates this season to record at least 75 receptions and 950 receiving yards.

Canales joined the Buccaneers after spending the past 13 seasons with the Seattle Seahawks (2010-22), where he helped the organization make 10 playoff appearances, two conference championships and a Super Bowl XLVIII title. Canales originally joined the Seahawks as an offensive quality control coach (2010-12) before being elevated to assistant quarterbacks coach (2013-14) and later wide receivers coach (2015-17), quarterbacks coach (2018-19, 2022) and pass game coordinator (2020-21).

As quarterbacks coach in 2022, Canales guided Geno Smith to his first career Pro Bowl selection, in addition to receiving Comeback Player of the Year honors from The Associated Press and Pro Football Writers of America (PFWA). Smith was also named the NFL's Most Improved Player by the PFWA after leading the NFL with a 69.8% completion percentage and setting career highs in completions (399), passing yards (4,282) and passing touchdowns (30).

The Seahawks excelled offensively during Canales' tenure in Seattle, recording 7.61 passing yards per attempt and 4.53 rushing yards per attempt over the 13-year run. Seattle was the only offense to rank in the top five in both of those categories during that span. During Canales' time in Seattle, former Seahawks quarterback Russell Wilson joined Peyton Manning as the only players in league history with 3,000-or-more passing yards and 20+ passing touchdowns in each of their first 10 seasons. While Canales was Seattle's pass game coordinator in 2020, wide receiver Tyler Lockett established a new franchise record with 100 receptions, while fellow wide receiver D.K. Metcalf set a new franchise mark with 1,303 receiving yards.

Prior to his time in Seattle, Canales spent one season as an assistant strength coach and video assistant at the University of Southern California in 2009, while also working with the quarterbacks. He made the jump to USC from El Camino (California) College (2006-08), where he served as the tight ends coach and special teams coordinator before coaching quarterbacks in his final season. During that time, he worked as a part-time coach at the annual Pete Carroll football camps where he built a relationship with Carroll. Canales began his coaching career as the head freshman/sophomore coach and offensive coordinator at his alma mater, Carson High School, from 2004-05. He played wide receiver at Azusa Pacific University from 1999-2003, where he was named team captain twice, and earned his degree in business administration in 2003.

A native of Carson, Calif., Canales and his wife, Lizzy, have four children – Ashby, Benjamin, Beatrice and Amaya.

MVP empowers military, veterans, and professional athletes to thrive when the uniform comes off through fitness, health, and wellness programs.

NEW TEAM + NEW MISSION

VETERANS

PROFESSIONAL ATHLETES

By merging vets and athletes, we create an environment where these warriors can share each other's strength and experience, build a stronger foundation for more fulfilling lives, and positively influence their new team, families and communities.

WHO WE ARE

MVP is a community that empowers and connects our members through various events, communication, and trusted resources. Our members are provided with an ecosystem of support so they are never alone!

WHAT WE DO

We reduce homelessness, suicide, improve health and wellness, and much more! Veterans and Athletes come together weekly for a formal physical training and peer to peer support session called, "The Huddle," at no cost to them! This allows them to rebuild themselves mentally, physically, emotionally.

HOW YOU CAN HELP

We need your help to continue this mission! MVP has many sponsors and partners that help us operate and raise funds allowing our charity, a 501(c)3, to provide services and resources to enrich our members lives.

GRANITE CHARTER ACADEMY IS A TUITION-FREE, K-12 PUBLIC CHARTER SCHOOL IN CHATHAM COUNTY

Granite Charter Academy will be the first of its kind to offer a comprehensive program from Kindergarten through 12th grade that provides a combination of college preparatory curriculum with greatly enhanced access to technical skill development designed to improve employability outcomes in industries that are critically short on employees. This includes STEM-related fields, renewable energy, building and construction, and other areas as directed by future community interest. This foundation will help them build on their developing interests and abilities, allowing access to colleges and corporations that support their career pathways prior to high school graduation.

Granite Charter Academy aims to become the first high-performing, K-12, career-minded charter school in the region, producing a workforce-ready, highly skilled group of graduates to meet the ever-growing demand for skilled workers in their community. The academy will partner with local businesses, colleges and organizations, contributing to the continued growth of Chatham County.

The DeAngelo Williams Foundation (DWF) is the official charity founded by DeAngelo Williams, former running back of the Carolina Panthers and the Pittsburgh Steelers.

DeAngelo started the DWF in 2006 in honor of his mother and four aunts that all passed away from breast cancer. The foundation's main focus is to spread breast cancer awareness in hopes to one day eradicate this disease.

In December 2014, DeAngelo started 53 Strong for Sandra in Charlotte, NC, an initiative in which the DWF funds 53 mammography screenings for women who are uninsured or under-insured.

In addition to the screening events, the foundation also covers the cost of follow up appointments and treatments when needed and when cancer is discovered.

By 2017, the foundation expanded the outreach of 53 Strong for Sandra by funding mammography screenings for women in Pittsburgh, PA and Memphis, TN while continuing service in Charlotte, NC. In 2019, DWF hosted a mammogram in Jonesboro, AR with the hospital DeAngelo's mother received treatment while she had breast cancer. This same year, DeAngelo began a Run-Bike event called the 53 Strong DeAthlon, which benefits the mammogram program, and sponsors 106 annually in Union County in NC.

To date, the DeAngelo Williams Foundation has sponsored more than 1,500 women to receive a life-saving mammogram.

THIELEN FOUNDATION

The Thielen Foundation was founded by Adam and Caitlin Thielen in the Fall of 2018. Its mission is to educate, inspire, and equip individuals—especially youth—to overcome adversity and reach their full potential. The foundation's motto, "Achieve Your Full Potential," reflects Adam's personal values and serves as a call to action for others.

YOUTH & BEHAVIORAL HEALTH

Through regular visits to hospitals and care facilities, Adam and Caitlin offer hope, support, and wellness tools like journaling and mindfulness. They openly share their experiences with stress, anxiety, and the importance of a strong support system.

#CHANGETHRUSPORT

This program bridges the gap for underserved youth by providing participation fee support, sports equipment, and leadership scholarships. The foundation believes access to sport—and the lessons it teaches—shouldn't depend on a child's zip code.

- 8+ weight room renovations
- \$50,000+ in annual scholarships
- 10 high schools supported with lifetime leadership awards

BASIC NEEDS SUPPORT

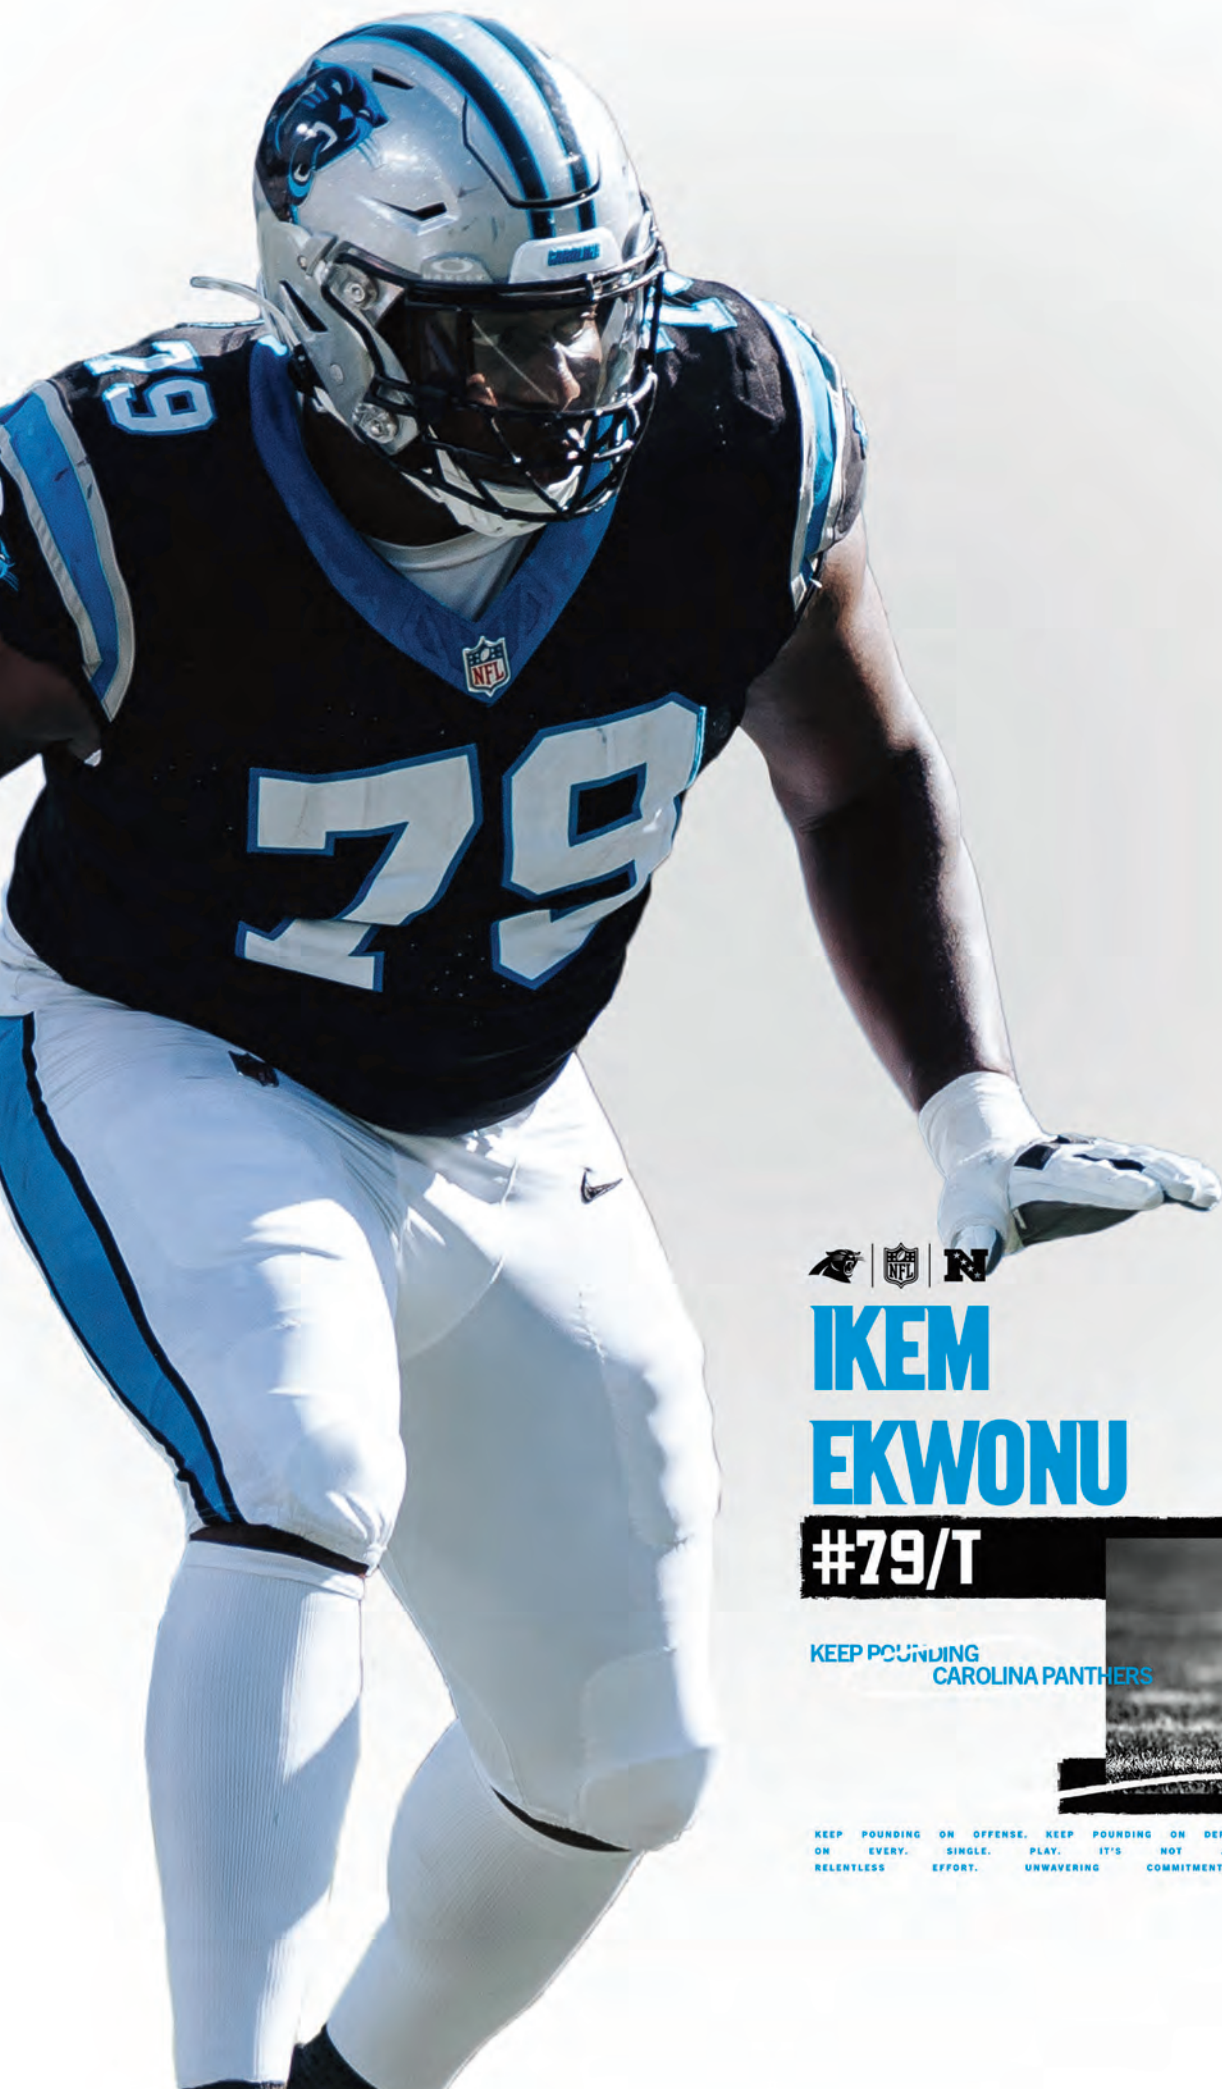

The foundation also provides essential items like clothing, toys, household goods, and emergency financial assistance to families in need—helping them meet challenges and improve their quality of life.

SIR PURR

Sir Purr, the mascot of the Carolina Panthers and a beloved fixture of football in the Carolinas, enters his 30th season with the Panthers. Gifted with nimble paws, a great smile and one huggable belly, this cat is best known for his silly antics and creative skits that can be seen on game day and throughout the community. Sir Purr has entertained crowds not only locally, but internationally as well, meeting numerous fans in multiple trips to Germany, performing at the Chinese New Year parade in Hong Kong, and visiting our armed forces in Djibouti, Kuwait and Bahrain. Always keep a look out because you never know where this agile cat might pounce next.

PURRCUSSION DRUM LINE

Feel the beat of the Carolina Panthers drumline—PurrCussion—featuring a combination of groove, chops, visuals, choreography and dynamics, PurrCussion is made up of talented snare, tenor, bass and cymbal players from across the Carolinas. This unique group of musicians come from diverse percussion backgrounds, disciplines and styles, ranging from university marching bands and drum corps to self-trained drummers. Members hold careers in a variety of distinguished professions including business, music education, accounting and finance.

The PurrCussion drumline is staffed by Jason Meyer and Patrick McLean.

Jason Meyer, the PurrCussion Coordinator, oversees all musical and creative aspects of PurrCussion, as well as working full-time as a Creative Director for a local healthcare provider. Prior to his promotion as PurrCussion Coordinator, Jason served as the PurrCussion Assistant in 2016 and as the PurrCussion tenor section captain for three years prior to joining the staff.

Beyond his experience with PurrCussion, Jason has performed, taught and judged marching percussion for over 15 years including competing in Independent World Class of Winter Guard International in 2007, marching for the App State Drumline throughout his college career and eventually instructing the App State Drumline for two years after his graduation from ASU.

Patrick McLean, the PurrCussion Assistant, oversees all developmental components of PurrCussion as well as working full-time in law enforcement in South Carolina. He has served as the PurrCussion Assistant since 2017, after three seasons performing as a bass drummer and as a bass drum captain for the ensemble. He has previously marched with the Garfield Cadets/Cadets of Bergen County Drum and Bugle Corps from 1988-1991, winning a DCI World Championship and High Percussion Award in 1990. Patrick has served as a percussion instructor and arranger for numerous high school marching bands and both WGI Independent and Scholastic Indoor Drum Lines in North and South Carolina.
